

156 Clearview Crescent 101 Apex Mountain British Columbia

$275,000

Welcome to this unique and cool loft-style townhome. The Lofts is a quaint nine-unit complex located just a short walk to the ski lifts and village, and only steps from the skating loop. This well-maintained mountain retreat has been upgraded and features a full-size kitchen, comfortable living room, and dedicated dining area -- ideal for relaxing after-skiing or hosting family and friends. The soaring 16-foot vaulted ceiling with an abundance of new windows creates an airy, open atmosphere and gives the home its signature alpine character. The lofted upper level offers two divided sleeping spaces. Comfortably designed for a family of four, the home can accommodate up to six people with the pull-out sofa on the main floor. Two separate entrances add flexibility and convenience: a primary entrance with a secure private storage locker -- perfect for skis and gear -- and a second access point through a shared patio area with the neighbouring unit. Parking for two vehicles right out front is a huge bonus. Whether you're seeking a weekend escape, a winter basecamp, or a year-round mountain retreat, this Apex getaway delivers location, character, and functionality in one inviting package. (id:6769)
