Why living in the Villa 24 community just makes sense: 1. There is a year round heated pool AND a sauna. 2. Your neighbors look out for you, but still respect your boundaries. 3. It's beautiful and green and well cared for. What makes unit 105 special? 1. There is a brick fire place - the kind of cozy living room that makes your hot chocolate taste better. 2. The basement has the potential to be anything you want - a guest bedroom, a gym, a dark place to hide. 3. Completely turn key - you can actually find something spacious and livable without having to work 6 jobs. This is the perfect home to get your toe in the real estate door. Affordable, move in ready most importantly .. a pool. (id:6769)
