\$649,900

A rare opportunity to own one of the most unique residences within Emerald Beach Villas--Lake Country's sought-after gated waterfront community on Wood Lake. Originally built for the on-site manager, this ground-level home offers a layout and location rarely found in the complex, with only a patio above for added privacy and a quieter living experience. Vacant and move-in ready, it includes a boat slip, garage, and the only dedicated parking stall in the community--an exceptional combination of convenience and long-term value. Inside, the bright open-concept design is warm and functional, with expansive windows, rich hardwood flooring, and seamless flow between the kitchen, dining, and living areas. The kitchen offers generous cabinetry and workspace, while the living room opens directly to a private patio and expansive green space beyond. It's the kind of setting where morning coffee outdoors, summer evenings with friends, and effortless day-to-day living all come naturally. The spacious primary bedroom includes a walk-in closet while the second bedroom has an ensuite and provides flexibility for guests, a home office, or additional living needs. In-suite laundry adds practicality and ease. Life at Emerald Beach Villas extends far beyond your front door.
