

11491 Okanagan Centre Road Lake Country British Columbia

\$1,299,000

The "Beach First. Wine Later. Repeat." Lifestyle. Do you enjoy sipping world-class wine in the sun while the lake is just steps away? Thought so. Welcome to semi-lakeshore living in coveted Okanagan Centre--a low-turnover neighborhood where the "daily routine" is actually a vacation. The "Difficult" Lifestyle Choices: The Commute: You are forced to walk several whole steps to Pebble Beach across the street where you get to enjoy the public beach and dock. It is a grueling journey, but somehow you will manage. The Sunset Problem: The west-facing patio spans the entire length of the home, giving you no choice but to watch the sunsets every single night. It's a burden, but the remote-control awnings help you hide from the beauty if it gets to be too much. The Hot Tub Dilemma: There is a hot tub. Apparently, soaking with a lake view is a "good idea." The Guest "Issue": With a self-contained suite and summer kitchen downstairs, your friends will find every excuse to never leave. You've been warned. The Actual Details: This 2,000+ square foot home features an open-concept main floor with a spacious kitchen and a primary bedroom with an ensuite. Between the landscaped gardens, mechanical upgrades, and being a short distance to Grey Monk Winery and the Salty Caramel Cafe, it's a wonder anyone ever sells here. Stop dreaming. Start living.
