

8800 DALLAS Drive 117 Kamloops British Columbia

\$649,900

Unit #117 in the Bare-land strata of The Burrows, stands detached as a single-family home with plenty of flexibility for any owner. Built in 2017, this home features all the updates one could want in any other brand-new home, including an unfinished but framed basement area for an in-law suite if desired, with its own separate entrance. The main floor is an open-concept space full of natural light, including a sun deck with, objectively, one of the best views in the complex, making it feel a bit more private. The main living space also features two large bedrooms; the primary bedroom has a 5-piece ensuite that is sure to be desirable. As for the community of The Burrows, it is a peaceful place with walking paths throughout, just steps from the BC Wildlife Park, and also includes free owner use of a recreational court for basketball, tennis, and pickleball. Make sure to add this home to your showing list and see what this home can offer you! (id:6769)
