Cute, cozy, and full of heart. This little gem on a tree-lined street has been lovingly cared for by the same owner since 2007 and now it's ready for you. Inside, you'll find upgrades throughout including a beautiful custom kitchen with pantry, updated bathroom with clawfoot tub, new shingles on the house and garage (2022), a brand-new furnace (2024), upgraded electrical, original hardwood floors on the main and new vinyl plank flooring in the fully finished basement. Plenty of flexibility here with a third bedroom, space to add a fourth, and a separate side entrance. You'll love the picture window overlooking the sunny backyard where you'll enjoy mature landscaping, a garden and firepit area, plus a new side deck and fully fenced yard with a 20x20 double garage. This is a happy little home on a friendly street known for summer block parties, in a walkable location close to schools, Jubilee and Hermitage Parks, the community league, and more. After 17 years of love and care, it's ready for its next story. (id:6769)
