

# 12585 HIGHWAY 3 Greenwood British Columbia

\$449,000

This wooded 105-acre property will impress while walking onto it's many trails, benches and open areas. Year-round and vibrant Eholt Creek runs through the western portion of the property. There is an access road through this portion with a culvert crossing over the creek. This opens to a meadow and then across the Kettle Valley Rail Trail. This road leads to the upper portions of the property. A power line runs another 140m uphill to a fantastic build site and open meadow. A good stand of second-growth timber, mostly pine covers a large portion of the property. The access road is challenging to find, inquire with listing agent. (id:6769)
