

12809 92 Street Peace River Alberta

\$565,000

Everyone deserves to come home to a place that's straight out of a magazine. This riverfront property has been renovated from top to bottom, with new stylish kitchen, living room, new electric gas fireplace, new vinyl flooring, doors, vanities, trim, fixtures, front door, garage door/lift, windows and hardware. You will find 3 beautifully styled bedrooms with 1 den down in the basement. There are 2 full bathrooms and 1 half bath on the main level. I absolutely love the kitchen which features beautiful black stainless appliances, gas stove, quartz countertops, under mount sink, soft closed cabinets and a breakfast bar. They have installed a wall pantry for additional storage which is tucked away in the large dining room. Living room showcases vaulted ceilings with lots of windows allowing the sun to shine through all morning long! With all those windows we have you covered from the summer heat with the central air. Master bedroom features 2 of my favourite spots, the balcony and the soaker tub in the ensuite that overlook the river! Basement is fully developed with space to make a 4th bedroom, but for now it's a great media room with a den. Finished and heated attached garage with large concrete driveway and rv parking. This home is situated on a .35 acre of a lot that backs directly onto the Peace River, but it has an amazing set up in the backyard for people who really utilize their yards. We have a nice fire pit area set up with a gazebo, garden shed and a large composite deck. There is a mature tree and space to add a garden. The yard is fully fenced and landscaped with irrigation. This home has had the shingles replaced. Call for more information on this property. (id:6769)
