

3780 Schubert Road 140 Armstrong British Columbia

\$575,000

Some townhomes feel temporary. This one feels like you've arrived. Tucked at the very end of Willowbrook Terrace, this end-unit home offers something incredibly hard to find -- a double car garage, only one connected neighbour, no neighbours directly to your east, and the kind of privacy that makes you forget you're even in a complex. The moment you walk through the large basement-level entry, the home unfolds with purpose. A media room and powder room create the perfect separate space for movie nights, game days, teenagers, hobbies, or simply a place to escape and unwind after a long day. Upstairs is where life naturally comes together. The oversized kitchen with raised eating bar and pantry becomes the gathering place -- morning coffees before school, wine with friends while dinner cooks, late-night conversations that somehow always end around the island. The open dining and living area flows seamlessly toward the front deck, where mountain and town views remind you why people love living in Armstrong. And with direct access to the fully fenced backyard from the kitchen, pets, kids, and summer BBQs just work here. Then comes the top floor -- a vaulted primary retreat with ensuite and massive walk-in closet at one end, while two additional bedrooms, another full bathroom, and laundry sit privately at the other. Low-maintenance living rarely feels this complete. This isn't just a townhouse. It's the kind of home people hope to eventually end up in. (id:6769)
