****A Rare View from the Top - Elegance in Every Detail**** Step into elevated living with this exquisitely reimagined 2-bedroom, 2-bath penthouse in the heart of Kelowna. Perched above the city in a boutique building, this 1,520 sq. ft. sanctuary was fully renovated in 2024 with over \$200,000 in refined custom upgrades. The gourmet kitchen is a statement of style and function, anchored by a 10-foot quartzite island and premium Bosch 800 Series appliances. Custom Spectrum cabinetry features innovative, horizontally lifting doors, a pull-out spice rack, a charcuterie drawer, hidden garbage, and deep soft-close drawers—all accented with warm brass handles. Adjacent, the fully enclosed sunroom invites year-round comfort, while the northeast-facing wraparound balcony captures sunrise and midday warmth without the blaze of late-day sun. The spacious dining room features a handcrafted 11.5-foot window seat with deep storage drawers and a wired center cubby for your printer, lamp, or favorite morning device. In the main bath, Spectrum cabinetry continues, enveloping a brand-new LG washer and dryer. Granite vanities and contemporary fixtures elevate both bathrooms to spa-worthy sanctuaries. Additional luxuries include luxury vinyl plank flooring, updated heat pump systems, energy-efficient baseboard heaters, and a hidden robot vacuum "garage." Outside: three exclusive parking spots (two underground, one gated), a storage locker, a pool, gym, social lounge, and an on-site manager. A rare circular driveway and generous visitor parking enhance the sense of welcome and ease. This is more than a residen...
