

1417 CORMORANT Avenue Kitimat British Columbia

\$379,900

This storey and a half home has had some great additions to really increase the size over a normal version of these houses! Inside on the main floor is a massive living space separated in to two useable spaces that are great for entertaining. A large natural gas fireplace sits prominently in the large family room for a nice ambiance, and large windows over-look the front and back yards. The kitchen has plenty of storage and doors out to the fenced back yard, and two sizeable bedrooms finish off the main floor. Upstairs are two more generous bedrooms and a washroom which is a great addition to the upper level of this home. (id:6769)
