Set against a backdrop of unobstructed, south-facing lake views, this home offers a front-row seat to some of the best scenery the Okanagan has to offer. The kitchen features a mix of quartz and granite countertops, stainless steel appliances, white cabinetry, a large pantry, and under-cabinet lighting. Right off the kitchen, a partially covered patio provides a seamless space for outdoor dining and entertaining. The living room impresses with vaulted ceilings, oversized windows, luxury vinyl plank flooring, and a gas fireplace; all designed to showcase the view. The primary bedroom offers a generous layout with a large walk-in closet and a 5-piece ensuite, complete with double sinks, a seamless glass shower, and a soaker tub. This home has a low-maintenance yard, and just above the home, a flat, partially developed area presents an opportunity to expand your outdoor space or build your dream pool.
