

14812 Victoria Road Summerland British Columbia

\$449,000

This is a nice FLAT and level .44 acre lot centrally located in beautiful Summerland. At one time it was zoned residential and was switched to institutional. All services are at the road and easily brought onto the lot. It was initially going to house some cluster housing but once sold off by the church, it requires some careful planning to build multifamily. (id:6769)
