

# 1671 Lynrick Road Kelowna British Columbia

\$919,900

.35 acre property with MULTI-FAMILY POTENTIAL. Preliminary discussions with city shows support for MF1 or MF2 zoning potential. There are multifamily developments already on 2 adjacent sides of the property. 15,246 sq ft property equates to \$60/sq ft. There's a beautifully updated home. 3 bedrooms on the main and a self contained 2 bedroom suite on the lower level. The house would bring in excellent revenue while going through the development process with the City. This is an amazing opportunity for a small developer and an extremely attractive price point. (id:6769)
