

# 188 Dromore Avenue Winnipeg Manitoba

\$679,900

1C//Winnipeg/Original home built in 1952- but entire home extensively remodeled this year. Open concept living. The list of improvements is endless, but a few notables are: entire home taken back to studs with new insulation, drywall, cabinets, full kitchen replaced, bathroom fully remodeled with heated floors and towel bar warmers, new appliances, hot water tank, electric panel in basement, new carport, new shingles house and garage, new fence and landscaping. A complete addendum available to buyers. There's "move in ready" and then there's this one... shows like a new home- but in an established neighborhood.
