The bright, open living space is finished with hardwood floors and a contemporary gas fireplace. The kitchen is designed for anyone who loves to cook or bake, centering around a massive island topped with waterfall quartz counters. It comes fully equipped with a gas cooktop, double wall ovens, stainless steel appliances, a dedicated pantry, and a built-in wine fridge. Off the dining room, doors open to an expansive deck with glass railing to enjoy the views. There is also a gas hookup for your BBQ and stairs tucked around the side of the home that lead to the yard. Coming in from the garage, is a highly functional mudroom and a half bath for guests. The large primary bedroom serves as a quiet retreat, featuring a 3pc ensuite and garden doors out to a private deck. The lower walk-out level features a large 4th bedroom complete with gas fireplace and a spacious laundry room with extra storage for the main house. The furnace and hot water tank were replaced in 2021, and central a/c in 2022. Outside, the fully fenced backyard and dedicated dog run were newly installed in 2025, while underground sprinklers keep both the lawn and the garden beds healthy and green with minimal effort.
