\$28

Exceptional AAA office space available in the heart of downtown Kelowna, offering approximately 4,000 SF of beautifully built-out, modern office space at 200-1650 Bertram Street. High-end finishes, premium DIRT glass walls and modular architectural interiors create a sophisticated workspace with exceptional layout flexibility, complemented by a private second-floor patio and secured underground parking. This is a rare opportunity to secure office space of this calibre in the downtown core. The thoughtfully designed space features a mix of private offices, meeting and collaborative areas, a large updated kitchenette, and three washrooms, including one with a private shower. The dedicated patio provides an impressive outdoor extension of the workplace and a standout amenity that is difficult to replicate in the downtown office market. Ideally positioned just steps from the new pedestrian overpass, Safeway, Starbucks and a wide range of downtown amenities, the location offers exceptional convenience and connectivity. The space also sits directly above the iconic Little Hobo, one of Kelowna's longtime local favourites. Combining a premium build-out, private outdoor space, secured parking and an unbeatable downtown location, this is a truly standout office opportunity that does not come available often. (id:6769)
