

1329 Ellis Street 202 Kelowna British Columbia

\$839,000

Gorgeous 1388 sq.ft. 2 bedroom, 2 bedroom unit at "The Lofts", in the center of downtown Kelowna! The location here is 2nd to none, with easy walkability to the water, restaurants, and all the amenities that downtown Kelowna has to offer. This development offers superior build quality, with concrete construction that offers outstanding noise cancelation between floors. The 11' ceilings and concrete walls offer a breezy, modern flair to the unit. This floor offers the largest deck space in the entire development, and this unit in particular has a full outdoor BBQ area, rare for a condo! The layout itself is very functional, with two bedrooms located on opposite sides of the unit, including the spacious 11'3x14'11 master bedroom with double closets, and a full private ensuite bathroom. The other bedroom is serviced by another full bathroom, and there is even an office nook for more work space. The kitchen has a large island space, stainless steel appliances, and there is also a spacious pantry space. Given the alternative of new wood frame condos that cost more, this property offers a superior build quality in a superior location. Secure parking and storage locker included. (id:6769)
