LAST LANEWAY LANDING GEM - Vaulted away for decades, this gorgeous 0.38-acre lakeview, treed lot represents one of the last truly exceptional building opportunities in McKinley Landing. Just a stone's throw from the water and beach access, this rare property offers the opportunity to create something truly special in one of Kelowna's most coveted rural settings. McKinley Landing has become one of Kelowna's best-established quiet rural neighborhoods, where mature forests, natural beauty and a sense of privacy create an exceptional escape from the pace of the city. Here, you can enjoy the feeling of being away from it all while remaining just minutes from downtown Kelowna, UBC Okanagan, Kelowna International Airport, beaches, hiking trails, restaurants and schools. Opportunities like this are becoming increasingly difficult to find. Large, private, treed lots with lake views and immediate access to the Okanagan lifestyle are exceptionally rare--making this an outstanding opportunity to build your dream home in a truly special setting.
