

2140 QUINN Street Prince George British Columbia

\$2,895,000

Here are two fully-tenanted buildings on over one acre in the highly desirable Carter Light area. Long term tenants, care free leases and lots of room to expand. Buildings have been well maintained and its not often you find a building with this much yard space in the center of town. Great opportunity for a nice long term hold property. (id:6769)
