This thoughtfully designed home blends high-end finishes, advanced efficiency, and exceptional attention to detail throughout. The main living area is truly showstopping, featuring soaring 13' ceilings, expansive views, and a custom 72" Valor fireplace. The chef-inspired kitchen offers a full Thor appliance package, stone countertops and backsplash, and striking double-stacked cabinetry with built-in lighting. Clean design is emphasized with all outlets thoughtfully recessed beneath cabinetry, leaving the stone backsplash uninterrupted. The primary suite is a private retreat, complete with its own view deck featuring tall frosted privacy glass, ensuring seclusion without sacrificing scenery. The spa-inspired ensuite includes a heated floor shower, dual rain heads, dual diverters, and custom built-in shelving with ambient lighting. Downstairs, the home continues to impress with engineered hardwood flooring on the stairs and throughout the basement, with soft carpeting in the bedrooms. A self-contained 1-bedroom suite with stone countertops, LG appliances, walk-in closet, mini-split heating, and an electric fireplace. The home is fully wired for a future EV charger and includes a dedicated circuit for an air compressor. The garage features a side-mounted overhead door to accommodate premium lighting, while the exterior is roughed-in for a hot tub. Landscaped with zero-scaping, artificial turf, and curated greenery for strong curb appeal. Built to Step 4 Code. Est comp May 2026 (id:6769)
