Productive agricultural property in one of Kelowna's most convenient and desirable locations. Planted to a modern high-density apple orchard, this farm offers excellent potential for growers and has an established clientele for farm products. Additional berry plantings on the western slope add diversity and charm to the operation, while the property's setting captures beautiful panoramic views of the surrounding valley and mountains. The near-new farmhouse-style residence has been thoughtfully designed with quality craftsmanship and high-end finishes throughout. Offering 3 bedrooms and 3 bathrooms, the home features soaring ceilings on both levels, creating an open and airy feel. Built on an ICF foundation for durability and energy efficiency, the home blends modern comfort with timeless rural appeal. Outdoors, the large deck is perfectly positioned to take in the sweeping views. A detached heated art studio with its own 2-piece bathroom provides exceptional flexibility for a home-based business, creative workspace, guest overflow, or farm office.
