Exceptional 7-bedroom, 4-bath home in Tallus Ridge! Character, warmth, and quality define every inch of this expansive 3,400 sq. ft. residence. Step inside to a bright living space with soaring 16-foot ceilings, a striking stone fireplace, and expansive windows overlooking the pool-sized yard. The kitchen is designed for family living and entertaining, featuring solid wood built-in cabinetry, a large adjacent laundry and pantry, and plenty of space to gather. The king-sized main floor primary retreat offers a spa-like ensuite with a deep soaker tub and large tiled shower. A dedicated office or bedroom plus a full bath complement this level. Upstairs, two more spacious bedrooms and a full bath await, while a versatile flex room below offers the option of a fifth bedroom, gym, or media room. The lower level is perfect for generational living or income, with a 2-bedroom daylight walk-out in-law suite boasting high ceilings, a private patio, its own driveway, and a cozy gas fireplace. THIS is a home that breaks the mold of 'builder white' and shows the distinction of a home built to last. Outside, mature landscaping, perennial beds, and fruit trees create a private oasis backing onto ecological land, with no neighbours on three sides. Nestled in Tallus Ridge, the perfect community for active families, you'll enjoy endless biking and hiking trails, a wonderful park, and proximity to fantastic schools. This home truly stands apart.
