Unique one of a kind opportunity! To any golfers, builders, or families looking for generational living, this one is for you. Situated off the #17 Green at Shannon lake Golf Club, this rancher with basement features stunning golf course views and easy subdivision potential. You will appreciate the home's high ceilings and large primary suite with walk in closet, 5 piece bathroom and access to the oversized covered patio. Subtle luxuries like an impressive entrance door, gas fireplace, and hardwood floors that transition into the open concept kitchen with quartz, stainless steel and an abundance of cabinetry finish off the space. The suitable unfinished basement and the easily accessible yard space are open for your creativity with plenty of room for a pool. Years ago, these 2 lots were combined into one. With options to either leave them together, build on what is there, or subdivide to construct the modern golf course home of your dreams, this really is a one of a kind opportunity. (id:6769)
