If you've been looking for a low-maintenance home with room to breathe, this one is worth a look. Tucked into a quiet, well-maintained 45+ park, this 2 bedroom, 2 bathroom double-wide gives you generous space on one level and the peace of mind of key upgrades already completed. A new furnace and new hot water tank are installed and ready to go. New flooring runs through the home, and the kitchen is easy to work in. The layout is open and airy, so the living areas feel bright and welcoming. Outside is where this property really shines. A large covered deck frames views of the surrounding mountains and gives you a sheltered spot to enjoy every season. Beyond it, a big, private yard is set up for hosting, complete with a gazebo and a hot tub. There's a carport, and with a driveway on each side of the home, there's room for everyone's vehicles. Golf courses, wineries, shopping, and everyday services are all a short drive away. The lease runs through 2054. (id:6769)
