Located just steps from the Sagebrush Theatre, this 2 bedroom, 1 bathroom ground level apartment offers a functional layout and a central location. Inside, the galley style kitchen sits just down the hall from a bright, welcoming living room with access to the covered walk up patio. The spacious primary suite includes a walk through closet and secondary access to the main 4pc bathroom. A second bedroom and a large laundry room with plenty of additional space and flexibility complete the layout. In unit storage is generous and is complemented by an assigned storage locker. This unit also offers a designated parking stall, with the potential to rent a second through the strata. The corner unit placement allows for only one shared wall, adding a level of privacy that's not often found in apartment living.
