If a desirable location is at the top of your list, 3125 Grant Road is a home you won't want to miss. Located on a corner lot with close proximity to the U of R, Sask Polytech, and the many amenities of Regina's south end, you will love living here. Greeted by an updated exterior with a double detached garage, you'll note this home checks the boxes at an affordable price. Stepping inside, the carpeted living room features a corner gas fireplace with a large bay window. The original floor plan was modified to provide a cozy formal dining area, which may have once been a third bedroom and could be again. The kitchen was updated in the early 2000's and is light, bright, and airy featuring an abundance of cabinetry, stove top & built in oven, eat-up peninsula, and built-in pantry. There are 2 spacious bedrooms of the same size, along with the main 3pc bathroom that finish this level. The basement is fully developed with a 3rd bedroom with large closet (window does not meet current egress requirements), rec room with second gas fireplace, a second 3pc bathroom with corner shower, and a sprawling laundry area with adjacent storage den (could be developed into 4th bedroom). The yard is well treed & private with a deck spanning the width of the home across the back, perfect for sunny summer days. This home has been well cared for and is ready for new owners, come have a look! (id:6769)
