

325 Feathertop Way Big White British Columbia

\$375,900

A mountainfront homesite in Big White's preeminent community of Feathertop Estates. Where else would you want to turn dreams into reality? Ski down Millie's Mile, follow the ski access lane, and you're home right at your back door. Head back out: ski directly to the Gondola or Black Forest and Bullet chair lifts. At 0.107 acres and southeast-facing, this lot is sized for the kind of home Feathertop is known for: 4+ bedrooms across 3 storeys, with 2nd- and 3rd-floor views that stop you mid-conversation as the Monashees turn pink at sunset. Picture the kitchen island loaded with apres-ski snacks, a boot room where the whole family piles in from a powder day, and a hot tub for soaking under the stars after a day on the hill. This is the lot where ""someday"" turns into ""remember when?"" Years of family ski trips start right here. It's just a 10-min walk to the Village Centre for dinner, coffee, or day spa visit. Big White is Canada's top family resort, with year-round adventure at your doorstep. Feathertop homes are largely valued at \$2-4M -- proof of just how special this pocket of the mountain has become. Feathertop has thoughtfully crafted design guidelines that allow ample room for creativity and customization when designing your dream home. Build when you're ready. There's no time limit, no builder restrictions, and all utilities are already at the lot. Google search Big White Living to learn more about Feathertop Estates. All measurements should be independently verified. (id:6769)
