

3343 Gordon Drive Kelowna British Columbia

\$799,000

Great investment property. Solid home built by German Builder for himself, is only 700 Meters from Okanagan College. This corner lot is MF1 zoned and we have very draft layout for 6 units that can be accommodated on this lot. Currently not in best shape, more appropriate for a developer, builder, property flipper, investor. Properly the cheapest property in Lower Mission. The incomplete basement can be completed to add more bedrooms and investment value. Pictures are from the previous owner had it. (id:6769)
