

5701 AIRPORT Drive 37 Fort Nelson British Columbia

\$96,000

Unbeatable. Even living in Fort Nelson, with so many homes moved over the years now makes it so the closest neighbours on your street are either across the way or 2-4 lots over. A plethora of adult trees reside at the back of the park which is great during summer to allow more shade to arrive sooner than most homes outside of the park during the late afternoons. 12'x30' stained deck on the side of the home gives more enjoyment of the hot summer weather approaching while keeping your home cool & avoiding air conditioning the planet. 2 sheds on the lot make sure that all gardening and outdoor activity items stay outside and keep extra unwanted dirt out of the home after a fun mud-filled day. Whirlpool appliances featured in this well-designed kitchen to match the flow of everyday life. (id:6769)
