Set in the iconic Abbott Street neighbourhood (close to KGH), directly across from the tranquil beauty of Kinsman Waterfront Park, this architecturally designed gem is more than a home - it's a front-row seat to Okanagan living at its finest. Walls of glass blur the boundaries between indoors and out, inviting lake & park views into every corner. Spread over two levels, the home offers rooftop vistas that will take your breath away, a serene backyard oasis for morning coffee and a thoughtful floor plan with 3 bdrms + den & generous spaces designed for gathering. Think Scandinavian-inspired warmth meets modern elegance! The atmosphere is chic & welcoming featuring heated marble foyer floors, a stringer industrial steel staircase to the wide open upper level living space wrapped in windows, a chef-worthy kitchen with an oversized marble island, a dining space with double sliders opening to the park & lake beyond and a sleek linear gas f/p, set in a shiplap surround. The primary bdrm is a true sanctuary...gas f/p, soaker tub, marble & glass shower, dual sinks & large walk-in closet. The beautifully appointed walkout ground level features 2 bdrms, a full bath, family room with wet bar opening to a covered patio & private backyard. Whether you're a busy family seeking connection to nature, a professional couple craving effortless style, or empty nesters ready to embrace your best chapter yet, this is the very definition of easy Okanagan living...with a touch of magic at every turn (id:6769)
