

3991 Desert Pines Avenue Peachland British Columbia

\$839,000

This is your opportunity to own a beautifully updated two-storey home on a desirable corner lot in Peachland, offering exceptional walkability, along with space for a boat and RV. Inside, this professionally designed 3-bedroom, 2.5-bath home blends style and function with carefully selected upgrades throughout. The main living space features whitewashed cedar ceilings, a resurfaced fireplace, and a stunning new kitchen complete with a wine fridge. The ensuite offers a spacious walk-in rain shower, while the lower bathroom is enhanced with heated floors for added everyday comfort. A private deck off the primary bedroom creates a peaceful retreat for morning coffee or evening unwinding, and the 180-degree wraparound deck off the main living area extends your living space beautifully. Professionally sealed with a zero-seam finish, it offers lasting durability and year-round enjoyment. Adding even more flexibility and value is the brand-new detached cabin, fully equipped with heat, air conditioning, its own private kitchen, and a private deck with an outdoor shower. Whether used for visiting family and friends or to explore short-term rental potential, this detached space is a standout feature. Outside, the property is equally impressive, with stunning zero-scape landscaping, a new retaining wall, an upgraded driveway, and low-voltage landscape lighting that creates striking curb appeal both day and night. A private deck at the back of the house provides space for outdoor dining and garden beds. The roof is approximately 10 years old, and the property is well served with 200-amp electrical to the house and 60-amp service to the detached cabin. This is Peachland living at its finest--luxury-inspired, designer-planned, and truly move-in ready. (id:6769)
