

1915 Pacific Court 401 Kelowna British Columbia

\$429,900

This is an extremely well-done home that has undergone top-to-bottom renovations and upgrades. The 2 bedroom corner unit shows 10/10 and needs absolutely nothing. It also offers loads of bright natural light and has several unique upgrades, such as the option to add an extra bathroom and/or a personal laundry set. It also has 220 power to the balcony in case one wants to add a heatpump for mini splits. Located within walking distance of the downtown core, this is one of the better buys for the individual who simply wants to enjoy what downtown Kelowna offers without being right in the hustle and bustle. It's a must see. You won't regret it. (id:6769)
