

215 Kettleview Road 405 Big White BC

\$799,000

Legacy 405 has incredible top floor views and you get natural light in the morning right through to the end of the day. The unit itself has been fully updated and everything is in excellent condition. There are new countertops in all the bathrooms and kitchen as well as newer appliances and carpet. The place has been painted and is ready to go. You can put a hot tub on your deck and it is wired up and ready but the current owners chose to use the hot tubs already shared within the building. Just under 1900 sq ft of top floor elegance ready for the particular buyer who wants to be in the village, on the ski run and with perfect top floor views. 405 Legacy ticks all the boxes. Easy to show and with incredible views, this one is not to be missed.
