\$629,900

Welcome to the Fairview of Mission. This top floor unit is only the 2nd unit made available this past year and has a nice lake view from the living room, master and balcony. You'll appreciate the value as this home had \$60k in upgrades put in. The floor plan sets the bedrooms at opposite sides for privacy and there's a nice den/office space as well. The huge master bedroom has a lake view too and easily accommodates a king size bed. The oversized laundry room doubles as a pantry and has built in cabinets, countertop and shelving. Other recent improvements include a new fridge, dishwasher and furnace. This home comes with 1 underground secure parking spot and 2 storage units. The building amenities are fantastic with plenty of visitor parking, a rentable guest suite, billiards room, workshop, exercise room, secure entry system and security cameras, community bbq's, large meeting/party room and more. Oh yes, and the beach is a 5 minute walk from home; make the call. (id:6769)
