

4460 HIGHWAY 6 Arrow Park British Columbia

\$699,000

"Glamping" at its finest - this waterfront property is a great 'off grid' family retreat....the sellers have enjoyed it for many years! There's a 24' x 26' main cabin, with 2 decks (one on each side), plus there's a closed in sun porch with plenty of windows. Propane kitchen stove & fridge, tv, vcr, and air conditioner....use the generator to power up what you need! 2 small yurts in their own camp spots with firepits, and a covered place for your small travel trailer. There's even a tree fort, horseshoe pit, and a neat/clean and cute 'double seated' outhouse. The dock has stairs, so easy access to the lake at different levels. The property is 5.32 acres, and has approximately 500 feet of water frontage on the Arrow lake. Treed from the highway and only partially cleared at the bottom, with trails to the various areas. Nice building site on the upper portion of the property as well. Enjoy the peacefulness as you take in the truly beautiful views! You'll love this property! (id:6769)
