

471 Cascia Drive Kelowna British Columbia

\$1,639,000

Tucked into one of Lower Mission's dreamiest pockets, this 4 bdrm+den, 3 bath home backs onto a tranquil creek and serves up indoor-outdoor living at its finest. The main level is bright, breezy, and beautifully reimagined--with new blonde oak floors, paint and lighting throughout. The heart of the home is a stunning open-concept newly renovated kitchen and family room that flows effortlessly onto a covered deck and out to a lush, park-like backyard. Think quartz counters, stainless appliances, a cozy fireplace and the perfect setup for gathering or unwinding! Just off the formal living/dining area, another covered deck awaits--complete with a sparkling new hot tub for starry soaks. With a handy laundry room, updated bath, and fresh architectural details like powder-coated railings, this main level blends function and charm in all the right ways. Upstairs, the primary suite feels like a retreat with its private balcony, dual-head rainfall shower and walk-in closet, while two more spacious bedrooms and den (or 4th bedroom upstairs) round things out. Even the triple garage got a twist--one bay's currently a bonus bedroom with its own heat and entrance. With charming touches at every turn, this home is equal parts heart and style, right where you want to be...a short stroll to boutique shopping, eateries, schools, parks and of course, Okanagan Lake! (id:6769)
