\$520,000

Have you been searching for a centrally located 1/2 duplex with 3 bedroom and 1.5 baths within walking distance to an Elementary and High School close to public transit and local grocery store? A home that has no restrictions and a fenced yard for your furry pal? I have the home for you!! This home has been updated recently with an open concept kitchen and dining room design. There has been luxury vinyl planking installed throughout the home, new paint, stylish new light fixtures, new ceiling fans in all the bedrooms, new wall outlets, new door handles, new furnace in 2018. This place is awesome, there is a serene creek flowing behind this home and it is home to deer, fish spawn, beaver and otters swimming by, birds chirping. This backyard is a blank slate and can be a real oasis perfect for unwinding at the end of the day. (id:6769)
