

Thorsby Alberta

\$479,900

The bungalow you've been waiting for. Custom built, fully finished, and backing onto reserve land with no neighbours behind and never will be, this is the kind of rare find buyers wait years for. From the moment you arrive, the curb appeal stands out with a welcoming front veranda, extra-wide driveway, RV parking on side of house, and a massive heated garage. Inside, the main floor is spacious and open with a thoughtful, functional layout and no carpet anywhere. The beautiful kitchen offers real counter space, plenty of cabinetry, and a large walk-through pantry, plus a front office or den ideal for working from home. The fully finished basement features oversized bedrooms and a huge recreation room perfect for entertaining or relaxing. With central air conditioning, immaculate finishings, and a lovely small-town community feel, this is a home that rarely comes available and is just as practical as it is beautiful. (id:6769)
