

Whitehorse Yukon

\$639,000

True end unit backing onto a green space buffer with a creek and trees. Nearly 2,400 sq ft, 3 bed, 3 bath, attached garage, private deck and paved parking. The upper level is where the light lives: open living, kitchen and dining wrapped in extra windows most units simply don't have. Kitchen holds its own with stainless appliances, tiled backsplash, deep pantry and an island with sink. Primary up with walk-through closet into its own ensuite. Walkout basement opens to a large living room with plumbing rough-in already in place -- excellent roommate or extended family potential. Built for Yukon winters: quad pane windows, R40/80 insulation, electric heat. Immaculate, thoughtfully finished and genuinely rare in this layout. Call your REALTOR(R) and book a viewing before it's sold. (id:6769)
