

5152 Whitetail Drive Kelowna British Columbia

\$1,200,000

This is where your dream home finally gets built, with a view that never gets old! Perched above the valley in an exclusive, private cul-de-sac, 5152 Whitetail Drive is one of the last untouched parcels of prime land left in Kelowna. Five fully serviced acres with sweeping panoramic views of the valley, mountains, and rolling Okanagan landscape. Spend your evenings watching the sun melt behind the ridgeline from the deck of the home you always dreamed of building. A1 zoning with ALR permitted uses means horses, a winery, agritourism, bed and breakfast and more are all on the table! Ancient Hills Winery is a one-minute walk down the road. Sunset Ranch Golf is three minutes away. The airport is five. You are above the city, not away from it! Only three lots remain in all of Whitetail Estates, and all three are available. Buy two or take all three and own 15 contiguous acres of the most coveted land in the Central Okanagan at a preferred price. Opportunities like this are rare and do not come around often. Grab your dream before it is gone! (id:6769)
