

543 Martin Street Penticton British Columbia

\$1,499,999

Charming character home in downtown Penticton! Extensively renovated in 2009, this property features original inlaid hardwood floors, coved 9ft ceilings, crown molding, solid wood interior doors and professional color scheme. Featuring a warm reception area with fireplace and custom built-ins, bright conference room, 8 private offices and a large common area right next to the light filled kitchenette. This office space has been nicely updated over the years and offers a professional office feeling. The basement is an unfinished space but offers a large storage space for equipment, files or can be finished into a living area. The upstairs has been converted into a nice 2 bedroom living area with its own separate entrance and could be a great rental income if desired. In the back you will find a double garage and lots of private off-street parking. Easily reverted back to a darling home, if desired. C3 zoning allows a multitude of uses including restaurant, professional office building, residence or vacation rental. Measurements are approximate. Call Listing Agent today for more information.
