

Weyburn Saskatchewan

\$599,900

Investment opportunities like this are rare. The building is located just a few doors from Starbucks and Pharmasave and has excellent foot traffic and ample parking in the city parking lot directly behind the building. The building was built in 1960 but is new inside and out. The building was completely renovated in 2007 and has been professionally maintained ever since. The roof membrane was replaced within the last ten years, and all HVAC units were replaced in 2007. Don't miss out on this opportunity to own one of the nice buildings in downtown Weyburn. (id:6769)
