

677 Cypress Drive Vernon British Columbia

\$1,499,000

Tucked away on a private, park-like property in desirable Coldstream, this beautifully maintained south facing 5-bedroom, 4-bathroom home offers a lifestyle that's becoming increasingly difficult to find. Surrounded by mature trees, lush gardens, fruit trees, evergreens, and a tranquil water feature, the property feels more like your own private retreat than a residential neighborhood. Inside, soaring vaulted ceilings, hardwood flooring, and quality finishes create a warm and inviting atmosphere. The main floor features a spacious living and dining area, a chef-inspired kitchen with quartz and granite countertops, and a large enclosed sunroom perfect for morning coffee or evenings with friends. The primary suite offers a walk-in closet and generous ensuite with soaker tub and separate shower. Upstairs are two spacious bedrooms, a full bathroom, and a loft-style flex space ideal for a home office or reading area. The lower level has two additional bedrooms, a large rec room, full bathroom, and cedar sauna. Outside, the property features multiple sitting areas, a pond, garden studio, and plenty of room for family gatherings, summer games on the lawn, gardening, entertaining, or simply enjoying the peace and privacy. Complete with a heated driveway, double garage, workshop/potting room and high-efficiency furnace, this is a rare opportunity to enjoy acreage-style living just minutes from Vernon. (id:6769)
