\$1,089,900

This is a great family home on a quiet Lower Mission cul-de-sac. 4 bedrooms plus Den/office with vaulted ceiling, gorgeous new birch flooring, granite counters and island with appliance updates. You will enjoy the two decks and a great patio in the back and the RV Parking. BTW, the home is completely repainted inside and out and the garage floor is epoxy-coated. You should know this location is one of the best areas to live for families in Kelowna. Walking distance to both Elementary and High School. Walk to the beach and close to Mission Creek and two dog parks. You are close to Mission Center (Pool complex, fitness center, sports fields, indoor soccer, 2 ice rinks, library and restaurant). Nearby is the new Dehart Park with basketball and pickleball courts, dog area, sports field, walking loop, skate feature, water play for kids, and more. Seller is downsizing, so much of the contents are negotiable as well. (id:6769)
