

83 WOZNEY Street Kitimat British Columbia

\$159,000

Here's your chance to build your dream home in Forest Hill Heights subdivision. Not only is this one of the few lots left in this area, it is also the largest lot in this subdivision at the moment (over 27,000 sq. ft.). This property is approximately 265' deep on one side and 196' on the other, and about 180' across the back. There is plenty of room to set your home back further on the property for privacy, and still be distanced from the highway. This street is almost fully developed and consists of high end executive style homes. Close to many amenities and along many walking paths to parks and trails this is a great opportunity to get into the Kitimat market. (id:6769)
