Condor Signs - A Successful E-Business waiting for you! If you enjoy woodworking and are creative this is a wonderful way to combine both, to work for yourself or to expand an already existing business. Condor Signs is a successful, long-established business that has grown for over 30 years & you will see their signs across Canada from the Haida Guaii to Nova Scotia & beyond. Built with beautiful, weather resistant BC Cedar & constructed with care, these signs are popular for a wide range of businesses, homes, farms & even cities. You can't help but notice these outstanding signs. Condor Signs expanded into cast metal, brass, aluminum, laser etched, granite or marble plaques that are desirable for businesses or as memorial plaques. The high quality of the workmanship continues & there is a steady demand for them. The extensive & impressive list of equipment, machinery, and beautiful cedar wood is included. Everything you need to start building is waiting for you. As this is an E-Business & most orders come via the web site, relocation to your own shop or city is easily done. The website & extensive file of past signs is included. The present owner is willing to stay and teach you how to build these beautiful signs and to show you the ropes. The artist would like to continue working for Condor Signs. The wide array of signs and possibilities are available for your viewing on their new website. www.condorsigns.ca YouTube video: https://youtu.be/_9k8jUG0lIE (id:6769)
