

255 Feathertop Way 86 Big White British Columbia

\$1,495,000

Built by H&H Custom Homes--recipient of Okanagan Builder of the Year--255 Feathertop Way introduces Big White's newest ski-in, ski-out residences at the sought-after Sundance Resort. Positioned for true slope-side living, these homes provide immediate access to both the Bullet Express and Black Forest chairlifts, with Big White's lively Village Centre just minutes away on foot. The architecture reflects a modern craftsman influence, combining board-and-batten siding, black metal-clad windows, warm wood accents, and panoramic mountain vistas. Spanning 2,490 square feet, each residence offers 3 bedrooms, 3 bathrooms, a den, and an oversized lock-off closet. The main floor blends an open kitchen and gathering space with a covered deck--complete with hot tub and gas BBQ hookup--for year-round enjoyment. Adding versatility, each home includes a 590-square-foot legal suite with its own entrance, covered patio, full kitchen, washer/dryer, luxury vinyl plank flooring, enhanced soundproofing, and optional garage. Sundance Strata fees cover building insurance, exterior upkeep, garbage and recycling services, snow removal, and use of the resort's shuttle, heated outdoor pool with slide, multiple hot tubs, and indoor recreation areas. Anticipated completion: December 2025.
