\$548,900

Located on a well-sought after family friendly Cul-de-Sac, this 5 bedroom house has plenty to offer. Vaulted ceilings, large windows, and spacious rooms make this home feel much larger than the generous 1400+ sq ft it already offers. Garden doors off the dining room allow direct access to the two-tier deck where you can relax and enjoy the benefits of countryside views with the open space behind the property. A paved pathway located behind the property is a wonderful bonus with convenient access though the backyard for those who love to get out and go for a stroll. The primary bedroom has a walk-in closet and 4-piece en-suite and the remaining four bedrooms are generous in size as well. The bright, open layout of the basement is complimented with in-floor heating ideal for our colder seasons. And two-car attached heated garage boasts a high ceiling and accommodates two full-size vehicles with ease. To book your viewing, contact your Agent today. (id:6769)
