23.3 ACRES | RIVERFRONT | COMMERCIAL ZONING | Welcome to 907 Route 933 in Haute-Aboujagane. This spacious home was built to commercial standards and sits on over 23 acres backing on the Aboujagane River. With General Commercial zoning, this property provides excellent flexibility for a home-based business or even a tourism venture such as domes, cabins or short-term rentals. The wooded acreage and extensive river frontage make for a stunning setting to develop while enjoying privacy and nature at your doorstep. The residence features a bright open layout with 10 ft ceilings on the main floor, 9 ft ceilings in the basement and exceptional storage throughout. The main level includes an updated kitchen with walk-in pantry, large living spaces and 3 bedrooms and a full bath. Generous walk-in closets are found in both the primary and second bedrooms. The basement is nearly complete, missing only flooring and trims. This level offers a massive family room, a partially completed bathroom, utility room, and additional storage. The large family room has an egress window already in place and could easily be divided to make a 4th bedroom. The roof, siding windows & doors were all replaced in 2022. Outside you'll find a large storage shed and gazebo/bunkhouse. All of this just minutes from Pine Needles Golf & Country Club, 10 minutes to Shediacs world-class beaches and only 23 minutes to the Greater Moncton International Airport.
